Bennet Carr, Headmaster, said *"I am delighted that our students and staff have been able to reap the rewards of their combined dedication and commitment. Special mention should also be made of the parents who have provided such wonderful support. As they leave us, it is particularly pleasing that these results have enabled our students to secure places on the country's most competitive university and apprenticeship courses including fifteen to Oxbridge. We thank them for their wonderful contribution to the life of the School and wish them the very best for the future."*
