PRESS RELEASE

GCSE Results 2017

At King Edward VI School (K.E.S.), where students study at least eleven GCSEs, there was a 100% pass rate with over three-quarters of papers graded A* or A (or equivalent).

Thirty-seven students achieved 10 A* and A grades or better. Amongst them were **Ben Clarke, Artem Khovanov, Oliver Richardson** and **Ed Turner** who obtained twelve A* grades and **Joe Gray, Jack Hawkins, Jamie McGinn, Marc-Philip Schuler** and **Joshua Stone** who obtained eleven.

These results once again place K.E.S. in the Top 10 of boys' grammar schools nationally and they come only a week after Warwickshire's best A Level results were announced by the School.

Bennet Carr, Headmaster, said *"The students and their teachers deserve great credit for maintaining such high levels of achievement in these, the most challenging examinations for a generation. I am particularly pleased for this group of Year 11 who have not just worked hard to achieve these results, but have also dedicated themselves to a vast array extra-curricular, enrichment and community activities. They can all be rightly proud of their achievements."*
