PRESS RELEASE

GCSE Results 2020

GCSE examinations were cancelled this year due to the Covid-19 pandemic and students therefore received their GCSE results following special arrangements put in place by Ofqual.

Bennet Carr, Headmaster, said *“Although denied the opportunity to demonstrate their abilities in public examinations, the excellent results received by our students are well-deserved and testament to the wonderful commitment they have shown to their studies. They have once again demonstrated that co-curricular and academic involvement and success are mutually supportive and they can be rightly proud of their many and varied achievements. These results give our students an excellent foundation on which to build success at A Level and I look forward to following their progress alongside those who join us in the Sixth Form.”*
