PRESS RELEASE

GCSE Results 2024

Students at **King Edward VI School (K.E.S.)** celebrated record-breaking GCSE results, with 86% papers receiving the top 9 to 7 grades. Thirty-six students achieved five grade 9s or better including **Sennen Blake** and **Sammy Squires** who obtained ten grade 9s and **Jing Ru Chen, Theo Richter** and **Matthew Packwood** who received nine.

These GCSE results were the best in Warwickshire - state or independent – and, when combined with record-breaking A level results, led to **King Edward VI School** being ranked 11th in **The Sunday Times** list of the country's best state schools.

King Edward VI School is the trading name of The Grammar School of King Edward VI at Stratford-upon-Avon, a company limited by guarantee in England and Wales under company number 7696173 whose registered office is King Edward VI School, Church Street, Stratford-upon-Avon, Warwickshire CV37 6HB.

In the government's performance tables, K.E.S. achieved a Progress 8 score of 1.21. This value-added measure indicates that Year 11 students achieved more than one grade higher across each of their best eight subjects compared to students who had the same starting points nationally at the age of 11. Given the high starting points of our students, it was pleasing to discover that this was the highest Progress 8 score in Warwickshire.

Bennet Carr, Headmaster, said *"The students have worked extremely hard and have every reason to feel proud of their individual achievements. The fact that they have collectively raised the bar once again is an added bonus. With such encouraging grades, I am looking forward to following their progress in the Sixth Form alongside those students who join us in September."*
